Washington, Ind., Wed., June 7, 1939

Here's what we mean by "character." Study this head. If you will buy only those females that display this character, you will arrive quickly at the goal of success. This is the head of Brawith Bud 7th. She is a daughter of our present herd bull, Browndale Ringmaster and out of a dam by our former herd bull, Kalarama Emblem. This is the same blood that will be the feature of our sale offering.

37 Island Ave.,

Aurora, Ill.

Ringmaster's Pride is the senior yearling bull that we are keeping for the head of our show herd this year. He is a son of Browndale Ringmaster and represents four generations of our own breeding. Two sale females are bred to him.

## Quick Profit Cattle

Last year, "National Shorthorn Week" opened with the sale of Wm. A. Allison's Sons. This year, due to a rearrangement of the dates, this important sale circuit will close with the Allison Sale and prospective buyers should bear in mind that some of the biggest values of the entire week will be in this sale. No sale this year will contain more bulls that are ready for immediate heavy service and no sale this year will contain more females that have calves at foot or are close up to calving. Here indeed is a sale offering wherein the gamble in buying is conspicuously absent. All of these cattle were bred by Wm. A. Allison's Sons and most of them represent from two to six generations of their own breeding. You can buy these cattle with ASSURANCE that they will do well for you. You can buy them with assurance that they are backed by the guarantee of a firm whose honesty and integrity is above reproach. The offering this year will appeal even more strongly than that of a year ago because of the opportunity to obtain a larger amount of the blood of the two present herd bulls, **Browndale Ringmaster** and **Emblem's Pathfinder**. The addition of four head from the strong herd owned by Henry B. DuPlan, head cattle buyer for the great packing house of Wilson & Co., makes an offering of 31 lots that can be recommended most highly.—Hal Longley of The Shorthorn World.

## Guarantee

(Endorsed by American Shorthorn Breeders' Association)

---

1. Proper care shall be given by purchaser to protect breeding qualities and health of animals.

2. All bulls guaranteed breeders. A bull shall not be allowed to serve when under fourteen months of age or be allowed to run with herd when under twenty months of age. In case of failure to be a breeder notice shall be given to seller by the time bull is twenty months of age or within six months of date of purchase.

3. Cows with own calves by side are considered proven breeders. All other cows and heifers, sold as single lot guaranteed breeders, except calves sold by side of dam as one lot and heifers under sixteen months of age at time of sale. Heifers shall not be served for first calf by heavy or old bull. Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled, must be reported within six months. Heifers not settled when twenty-two months of age shall be promptly reported. Heifers over sixteen months of age sold open, not settling within six months of date of sale shall be promptly reported.

4. Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at time of purchase, but the seller may, if he desires, have the animal returned for retrial for a period not to exceed six months. The expense of return freight in such case is to be paid by the purchaser. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above. No charge for feed or maintenance shall be made by either buyer or seller. Salvage to go to the seller. It shall be understood that the same guarantee given on the first animal shall likewise apply upon any animal later substituted.

5. All animals are sold subject to a sixty-day retest for tuberculosis or to comply with laws of state into which they may be shipped. Animals shall be segregated from buyer's herd until retest is made, except herd be a Federal accredited one. All tests for tuberculosis, either test before sale or retest, shall be made by Federal or State veterinarian or veterinarian deputized by State veterinarian, who is co-operating with Federal veterinarian and qualified to do accredited herd testing. Purchase price to be promptly refunded upon proof of reaction and return of animal, except purchaser shall agree to accept a substitute.

6. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after close of sale and without trouble to the purchaser, but at their risk of loss or injury.

7. TERMS: Cash.

The above guarantee and terms constitute a contract between the buyer and seller.

**HEALTH:** These herds are under Federal Supervision for tuberculosis and every animal has been blood tested for Bang's Disease. A 60-day tuberculin retest is allowed and all cattle are guaranteed to comply with the health regulations of any state into which they may go.

Mina Beauty 43d—We publish this picture as a means of showing you the style and quality of the females in this wonderful producing family. She is a daughter of Emblem's Pathfinder that is being retained in the herd.

## From The Owner

With much pleasure we again invite you to our farm to attend this—our Second Annual Auction Sale.

Because it would cut too deep in numbers in our herd to put this sale on ourselves we have invited Mr. H. B. Du Plan to join us and we are pleased to say that he is contributing one heifer and three bulls of fine quality and breeding. Cattle that will make good in any herd.

Our cousins Fred L. Allison and Frank Peachee are also listing a good young red bull sired by Emblem's Pathfinder, and out of a Marr Clara cow bought at our last June 2nd Sale.

As to our offering, we have six bred heifers, six bulls and fourteen cows, ten with calves at foot and rebred and four bred.

Our entire offering is of our own breeding, several containing as many as five generations of our breeding and one six.

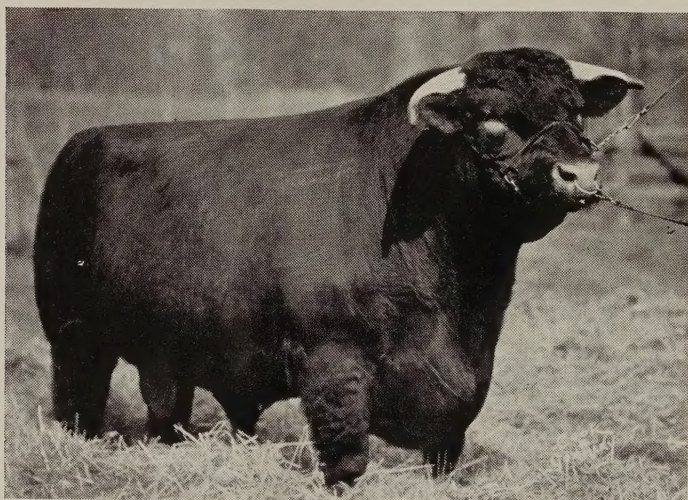

The three families, Clipper, Marr Clara and Campbell Mina, represented in our female offering are all descendants from our foundation herd, and have all been good producers. You can see by the number of the Mina Beauty family listed in this catalog how prolific this family has been for us and how well we have liked them.

Some one said, "God surely loved the common people, because he made so many of them," so also, we Allison's have produced and kept in our herd so many Mina Beauty's because we like them, and we wish to hand on to the small breeder and new beginner the opportunity to buy some of these tried and true matrons to strengthen and help build their herds. There is no better way to start a herd of pure bred cattle, than to buy these bred cows that have been real producers and the cow with a heifer calf at foot and rebred is a small herd in one buy.

Come spend the day with us, inspect this combined offering, and we believe you will want to take some of them home with you.

WM. A. ALLISON'S SONS

### EMBLEM'S PATHFINDER 1771545

Emblem's Pathfinder is the best bull we ever produced and we retained him for the further improvement of our own herd. In his two top crosses he represents a strong combination of Rodney and Dreadnaught blood, a combination that has resulted in calves of excellent type in our herd. Emblem's Pathfinder has a great head, is deep of body and short of leg, with wide sprung ribs and deep quarters. He has stamped each calf with these same valuable characteristics. Two outstanding bulls and two very choice heifers by him will sell along with seven cows with his calves at foot. We believe they will prove very profitable for those who buy them.

### BROWNDAL E RINGMASTER 1852135

We insist that our herd be improved each year and Brown Dale Ringmaster has proved to be the ideal bull for this important task. When the need for a new herd bull was apparent, we made a careful study of many prospective sires and finally selected this great young bull after he had won the junior championship at the Indiana State Fair as well as first prizes at the Ohio, Indiana and Kentucky State Fairs. He carries the famous Brown Dale Pilot-Brown Dale Star cross, a blood combination that never has failed. A beautiful lot of calves sired by him will be ready for your inspection on sale day and we are willing to let the public judge the worth of this great young sire. We know they are the finest we ever produced.

Ringmaster's Archer is very much the same color as his famous sire, Browndale Ringmaster. He is very mellow to the touch, has great depth of body, stocky legs and a smooth, level back. This great young prospect represents six generations of our own breeding.

Heading the herd owned by  
**H. B. Du Plan**  
Crown Point, Indiana.

No man has been a more staunch champion for the Shorthorn breed than Henry B. Du Plan, head cattle buyer for the great packing house of Wilson & Co. In such an important capacity, he has been able to see that Shorthorns have the ability to make more rapid gains than any other breed—and hence, greater profits for their owners. At Pine Grove Stock Farm, Crown Point, Indiana, Mr. Du Plan maintains a richly bred herd and prospective buyers may feel fortunate that they are to have the opportunity to secure some of the produce of this herd in this auction sale.—Hal Longley of The Shorthorn World.

Pine Grove Regal Man 5th and Pine Grove Regal Man 3d, a pair of thick, blocky, mellow fleshed sons of Anoka Regal Man that are being offered in this sale by H. B. Du Plan. Both are richly bred and ideal herd bull prospects.

Pine Grove Countess 7th is only being offered as a means of exhibiting to the public the very high quality of calves by Anoka Regal Man. We really should keep her because it is upon such heifers as this that strong herds are builded. She is a perfect heifer for the summer yearling class this year and the man who buys her can easily win back the purchase price in premium money. She is very short legged, has a deep, square body, a grand head and front and strong quarters. We are proud to offer her and we hope she will be appreciated.

Pine Grove Countess 7th is the best heifer we ever produced in the Pine Grove herd and one of the tops that will be offered in the Spring sales. She is a summer yearling for 1939 shows and is a daughter of Anoka Regal Man.

She has produced a calf every year since 1929 and her daughters and granddaughters have been extra good breeding cows. Three of her granddaughters have calves that we expect to show this year. A beautiful dark roan heifer calf sired by Emblem's Pathfinder sells by her side. Of course, these ten calves have left their mark on her as to looks now, but she is still going strong as this calf by side shows and she was rebred February 18, 1939 to Emblem's Pathfinder making her, despite her age, a wonderful buy.

It is not only a pair but also a chance for a son or daughter by Browndale Ringmaster. A deep red son of this cow by Emblem's Pathfinder sold in our sale last year, going to Lykes Bros., Havana, Cuba.

Mina Beauty 31st is one of the very choice daughters of Kalarama Emblem, a young cow selling with a beautiful dark roan heifer calf by Emblem's Pathfinder and rebred Nov. 8th to Browndale Ringmaster. Here is a combination of quality and big value.

In 1935 one of her bulls topped the Indiana State Sale at \$500.00. She sells with a deep red bull calf sired by Emblem's Pathfinder, an equally good herd bull prospect as the 1935 bull. We are retaining two of her daughters in our herd. She was rebred February 13, 1939 to Emblem's Pathfinder.

Mina Beauty 49th—A dark roan daughter of Mina Beauty 17th and granddaughter of Mina Beauty 9th, bred February 10, 1939, to Brown-dale Ringmaster. As to quality, look her over sale day. She is, we think, an extra good buy.
